A Ministry to Catholic Women

Prayer Breakfast

Sheraton Hotel • 1433 Camino Del Rio South

Saturday, August 21, 2010 • 9:30 A.M. To 12:30 P.M.

Guest Speaker: Valerie Staples

"I can do all things through Christ who strengthens me." Philippians 4:13

Valerie Staples is the wife of internationally known and respected Catholic Apologist Tim Staples. She is also a home schooling mother of three young children. Raised in Southern California, Valerie was a nominal Catholic--a "cafeteria Catholic" by her own admission, until a fundamentalist friend in high school challenged her Catholic faith leading her and her entire family to study apologetics to get answers. This experience gave birth to a passion to share the faith that has never faltered.

Valerie is the San Diego Chapter Head of ENDOW which is a womens study group founded in the Archdiocese of Denver that focuses on educating women toward a deeper and more profound understanding of their God-given dignity and vocation as women. She is also the Director of GORETTI GIRLS which is a teen girls group that meets monthly at the Staples home. Their focus is prayer, fellowship and fun always in the context of learning more about their shared Catholic faith.

As you can see it is evident that Valerie has a passion to share her faith with others and one of her greatest joys is sharing her love for OUR LADY OF GUADALUPE and how she has touched her life. Valerie has done extensive research on Our Lady and she will share with us why all American Catholics should be aware of and embrace the message of Our Lady of Guadalupe so that we can preserve the Christian, Pro-life culture that was so much a part of our nations heritage.

Don't miss this opportunity to hear Valeries personal testimony and to also grow in your knowledge and love for Our Lady of Guadalupe.
